ARMORED SUV

GArmor's Armored SUVs are a statement of refined strength – an elite fusion of security, performance, and elegance for discerning individuals who require uncompromised protection in every environment.

Encased in cutting edge, lightweight ballistic armor, this vehicle offers discreet yet comprehensive protection to the globally recognized CEN 1063 BR6 standard. Every inch of the vehicle is thoughtfully shielded, including the implementation of GArmor's armored overlap system, designed to reinforce door seams and eliminate vulnerable entry points.

ARMORED SUV SECURITY FEATURES

Security Features:

- Premium multi-layer ballistic glass
- 360-degree perimeter armoring
- Protected compartments for battery and ECM
- Armored fuel tank enclosure
- Overlap protection at all structural joints
- Run-Flat tire technology for continued mobility under duress
- Reinforced door hinges and soft-close assist for armored doors
- Driver-side operable window for controlled communication
- Concealed siren and PA system
- Tactical LED strobe lighting
- Fire suppression stick
- Full blackout capability for discreet movement

ARMORED SUV SECURITY FEATURES

The GArmor Armored SUV offers more than just secure travel. It is a mobile command environment tailored for high-profile individuals who demand silent strength, superior comfort, and unmatched presence in any situation.

Designed with precision and engineered for comfort, the Armored SUV offers an exceptional ride quality through its advanced independent rear suspension. The cabin is a sanctuary of luxury – spacious, meticulously finished, and built to provide executive-level comfort whether on the move or at a standstill.
